Bouncing Babies! Storytime Classes

Welcome! Bouncing Babies Storytime Class is an interactive program for children two years old and younger and their parents or caregivers. At Bouncing Babies Storytime Class, get ready to have fun sharing stories, songs, fingerplays, rhymes, music, and activities that incorporate the six Early Literacy Skills necessary for success in reading.

Here are some tips for smooth sailing:

- Children should be in good health when attending storytime.
- There is a diaper changing station in bathroom #1 or the girls' bathroom if needed.
 - Please keep children within your reach.
 - Please come dressed in comfortable clothing.
- Please set phones and other devices to “buzz,” silent, or off during the program.
- Please help fussy children take a break outside the storytime area.
 - Sometimes they will be able to rejoin the group and sometimes they may need to come back next time.
- Please feel free to socialize before and after the program and, of course, have fun!
