Request from California Special Districts Association President William Miller requesting personal contributions to the statewide ballot initiative to put voters in charge of whether local tax dollars should be diverted from local district programs to fund state services.

LEGISLATIVE ISSUES

Library Director Minter reported that there is no new information regarding the State Budget. She also reported that the Literacy program's allocation from the State Library is \$51,000, far short of its budgeted cost. The Library has supplemented the Literacy program in the past and is currently pursuing additional grants.

REVIEW POLICY MANUAL SECTION 2000 (PERSONNEL) Library Director Minter reported that Personnel Consultant Gail Koff had reviewed and revised the Personnel Section of the proposed Policy Manual. It was decided that the Personnel Section would be reviewed by the trustees at a special meeting on January 13, 2004 at 10:00 A.M.

CONTRACT WITH CITY OF PLACENTIA FOR FINANCING CIVIC CENTER RENOVATION PROJECT Library Director Minter reported that she had researched consolidating the Library's debt. She requested loan information from Carl Yoder at Delta Public Finance and from CSDA Finance Authority. They both reported that consolidation was not possible because of difficulties with the loan for the Civic Center Renovation Project. Because the project was done through the Civic Center Joint Powers Authority, the Library does not clearly own the property and the amount of the loan is too small to obtain financing. Both organizations did offer to refinance the Energy Rehab Project Loan with Delta offering a rate of 4.50% and CSDA offering a rate of 4.10%.

It was moved by Secretary Escobosa and seconded by Trustee Dinsmore to authorize President Shkoler and Library Director Minter to proceed with refinancing the energy rehab loan currently with ABM AMBRO with California Special Districts Association (CSDA) Finance Authority at a rate of 4.1%.

#### MINUTES NOVEMBER 3, 2003

#### FRIENDS OF PLACENTIA BOARD MEETING

President, Eleanor Rankin called the meeting to order. The following Directors were present: Eleanor Rankin, Ginny Sanatar, Jill Botha, Renee Scott, Frances Stoller, Pat Irot, Barbara Hemmerling, Camille Himes, Shirley Baker. Richard DeVecchio represented the Trustees and Elizabeth Minter and Jim Roberts the staff.

Eleanor introduced Laranne Millonzi. She is Development Director for the library and will work closely with the Friends.

The minutes of the November meeting were approved as corrected. Treasurer, Camille Himes reported a balance of \$8841.77. Financial Secretary, Ginny Sanatar, reported deposits for November of \$1,127.59

President's Report: 1) Ellie attended the November Trustee meeting and gave a short report of our activities. 2) Ellie attended the November 13 Foundation Meeting. 3) Virginia Walker did help at the November Poetry Workshop. Ginny will do so on December 12. 4) The material for our membership mailing is at the printers. Pat Irot and Laranne will update the mailing list. 5) Camille moved that we donate \$500 to the Placentia Christmas Clearing Bureau for the purchase of books. Frances seconded this motion. The motion carried. 6) Camille Himes is our representative to the Santiago Library District meetings, which are held four times a year. At the one she attended she saw special library cards made only for Friends members. This would be a possibility for our Life Members. She visited the Canyon Hills Library. It has recently been remodeled. 7) Kelly Lange is in contact with Elizabeth and Laranne and all is in order. It was suggested that the new CEO of Placentia Linda Hospital be asked to be our Maitre d' at the Author's Luncheon. By consensus this was agreed. Elizabeth will make the contact. 8) Jim Roberts has withdrawn his name as a candidate for Citizen-of—the-Year.

Chair Reports: 1) Publicity: Pat has sent items to the local papers as well as the Placentia Quarterly. We pay for the privilege of having the two pages in this quarterly. 2) Bookstore-Pat Irot reported that Virgina Walker has worked hard to rotate the books that were in the hallway on the shelves. These have all been replaced with ones from our workroom. The ones from the hallway go to the Second Sunday Sale. Jim, Laranne, Nancy Lone-Tollefson, and Pat Irot are to meet to discuss the overall volunteer situation in the Library. Nancy is hosting a volunteer brunch on Friday, December 12. 3) Sunday Sale: Ginny Sanatar said it is a real problem getting a group to pick up our unsold books. Ted Farkas and Pat Irot will work the December 14 sale. 4) Silent Auction: Jill Botha has

had a series of snafus—frustrating happenings—that make her question the continuance of the Silent Auction.

### Library Reports:

Elizabeth Minter: 1) The library has been assured the Book Tower will be delivered before Christmas. This will release the other revolving rack for the Friends. 2) Lee Castner and Elizabeth continue to confer on the sound system. 3) Elizabeth thanked the Friends, again, for the \$1000 Directors fund. She was able to buy many lovely Christmas flowers and ornaments with some of this money. 4) December 28 is Jillian's last day. Jim Roberts: On November 18-19 he was privileged to drive Ruth Heller to three schools; Ruby Drive, Rio Vista, and Tynes. There she presented her programs to 600 very receptive students.

No report from Richard DeVecchio

Next meeting: January 5, 2004

# **DON'T LET UP!**

# CALL YOUR SENATOR AND ASSEMBLY MEMBER TODAY!

Legislators and Governor Reportedly Close to Deal on Fiscal Package. We Must Keep Up the Pressure and Make Sure Lawmakers Take Care of the City/County VLF Backfill as Part of Any Fiscal Recovery Solution. Urge Legislators to Appropriate a FULL Backfill, Not Just a Partial Fix.

Today's news conferences in Sacramento and other major media markets were a success, garnering statewide media coverage reinforcing that today is "D-Day" for local services and stressing the need for immediate legislative action. In addition, hundreds of local elected officials, public safety representatives and local government employees walked the halls of the State Capitol and urged Senators, Assembly Members and their staffs to ACT IMMEDIATELY to appropriate a full backfill to reimburse cities and counties for lost Vehicle License Fee revenues.

Thank you for all of your efforts to date. We are having an impact. BUT WE CANNOT LET UP. We're getting reports that one or more of the "backfill bills" -- ABX5 7 (Lowenthal), SBX5 1 (Bruite) and ABX5 3 (Cox) -- could be set for hearing in committee as early as tomorrow, most likely one of the Assembly bills. We're also hearing that Legislators and the Governor may be close to a deal on a bond/ spending cap package, but the package may include only a partial backfill to cities and counties for VLF losses.

We must keep the pressure on legislators to ensure that they act – right away -- to appropriate the FULL backfill to cities and counties as part of any fiscal recovery package.

# ACTION ALERT: PLEASE CALL YOUR SENATOR AND ASSEMBLY MEMBER TODAY AND TOMORROW!

- ✓ Using the attached talking points as a guide, please call your State Senator and Assembly Member TODAY and urge them to immediately pass one of the VLF backfill bills (SBX5 1, ABX5 7, and/or ABX5 3). Full Funding of the VLF Backfill Must Be Part of the Deal. It would be irresponsible for the Legislature and Governor to solve the state's fiscal crisis and leave the VLF backfill even partially unfunded. REAL local services are at stake.
- ✓ Please call your Senator and Assembly member in their local district office AND their Sacramento office. Numbers for both can be found by typing in your address at the following link: <a href="http://congress.org/congressorg/officials/state/?lvl=C&state=ca">http://congress.org/congressorg/officials/state/?lvl=C&state=ca</a>.

✓ Please send an email to <a href="mailto:bcastillo@bickerassociates.com">bcastillo@bickerassociates.com</a> letting us know you've called your Senators and Assembly Members.

Thank you for your continued efforts. Please call (916) 443-0872 for additional information or visit the LOCAL website at <a href="https://www.calocal.org">www.calocal.org</a>.

# CSDA PRESIDENT BILL MILLER TESTIFIES AT SENATE LOCAL GOVERNMENT COMMITTEE INTERIM HEARING

On Tuesday, November 24, CSDA President Bill Miller spoke at the interim hearing entitled "Integrity and Accountability: Exploring Special District Governance" before the Senate Local Government Committee and Senator Deborah Ortiz (D-Sacramento) author of SB 456. Senator Tom Torlakson (Chair) Senator Nell Soto and Senator Mike Machado joined Senator Ortiz in the effort to gather information for possible legislation regarding the oversight and governance activities of special districts.

At least 200 people jammed into the Orangevale Community Center to hear the discussion on ways to improve districts' accountability. Senator Ortiz introduced SB 456 following the uncovering of widespread problems at the Sacramento Suburban Water District. The bill originally addressed just Sacramento Suburban but the Senator has sense decided to develop language that will address all special districts.

The agenda included panelists representing grand juries, special district associations, district attorneys, state agencies, LAFCO and the Little Hoover Commission.

CSDA President Miller stated, "We feel very strongly that, with the exception of a handful, directors, trustees and employees of special districts are committed to serving their constituents and ensuring their special district is operating at the highest level of professionalism and integrity."

At the conclusion of the hearing, Senator Ortiz indicated that she might be pursuing reform involving the following areas:

- Governing officials health and retirements benefits
- Governing officials compensation and per diem
- Definition of a meeting that qualifies for compensation
- Ethics training for governing officials (similar to the Special District Governance Academy endorsed by the Special District Leadership Foundation)
- Auditing and Accountability

This is the first step in the development of what may be special district reform legislation in 2004. CSDA will be working closely with Senator Ortiz, the Senator Local Government Committee and other special district associations throughout the process. President Miller's testimony and the Senate Local Government Committee's background paper for the interim hearing can be found on CSDA's website – <a href="www.csda.net">www.csda.net</a>. We will continue to keep you updated on the reform activities.

## The Local Taxpayers and Public Safety Protection Act of 2004

As many of you know from firsthand experience, the California State Legislature continues to bleed local agencies of increasing amounts of local tax dollars, forcing special districts, cities and counties to either raise local fees or taxes, or cut back essential services they provide, such as water delivery, road paving, public health and safety, parks, etc.

CSDA, the League of California Cities and California State Association of Counties formed the LOCAL Coalition in 2002 to try to work through the legislative process and resolve the issues that way, and the Coalition has been very successful over the last two years in increasing the awareness of the citizenry of the connection between local revenues and local services. LOCAL is also credited, along with the individual efforts of the participating organizations, with significantly reducing the impact of this year's budget cuts on local governments. However,

Page 4 of 11

local government advocates feel that this is not a reliable way to ensure much-needed stability and predictability for local revenues.

The Local Taxpayers and Public Safety Protection Act, which is slated to appear on the November 2004 ballot, would remove local government from the annual budget dance and "staunch the bleeding," setting the stage for an open, honest long-term fiscal reform discussion with the State.

This measure would put the voters in charge of whether local tax dollars should be used to fund state services. It would not prevent structural change, it would not raise taxes, it would not repeal current laws and it would not require the return of property taxes that have already been taken. It would do two things:

- Require approval by a majority of the electorate before a proposed state law may take
  effect that appropriates, reallocates, redistributes, reduces or suspends the payment of
  local tax revenues to cities, counties and special districts; and
- Clarify that the state must reimburse local governments for a new mandated program or higher level of service, protecting local governments from cost shifts.

But getting a ballot measure passed, especially in today's political climate, is far from inexpensive, and we need your help! Your public agency can help CSDA to underwrite the start-up cost of the ballot measure. These start-up costs are significant, and while we have gotten a good response so far, much more is needed. There are about 2,300 independent special districts in California, so if each district just gave \$100 we would raise almost a quarter of a million dollars! Unfortunately, not every district will be able to give, so if you are with a larger agency please give what you can, whether that is \$500, \$1000, \$5000 or even \$10,000. Please indicate also whether individuals in your area, whether affiliated with your district or not, will be able to help us later during the campaign by assisting in local fundraising, serving as a speaker or serving as a regional coordinator for campaign efforts.

You can make checks out to CSDA and mail them to 1215 K Street, Suite 930, Sacramento, CA 95814.

It is critical that we receive these funds before December 24. That is the day that we expect to receive an official title and summary for the measure from the State Attorney General's office. After that date it will no longer be legal to use public funds to promote the ballot measure. In fact, it will no longer be legal for public officials to promote the ballot measure while acting in their capacity as a public official. For a complete explanation of these rules visit our website, <a href="www.csda.net">www.csda.net</a>, and click on the big orange link at the bottom that reads 'CSDA FILES LANDMARK BALLOT MEASURE!' Then see the link titled 'Legal Issues for Public Officials.'

## Directors/Staff Home Addresses and Emails Needed

Since it will not be legal to use public funds or resources in advocacy of this or any other ballot measure, it is critical that you make sure CSDA has a way to contact you aside from your district's mailing address, phone number, fax number or email address paid for by your district. In fact, you will not even be allowed to use your district's computers to check ballot measure-related information on your personal email address.

If you wish to receive any information about the ballot measure after December 24, you need to provide CSDA with your home address, home phone number, home fax number, and/or an email address that you can access somewhere besides your district. This information will never be shared, sold or distributed to anyone in any way and will only be used to relay information about the ballot measure (unless you prefer for CSDA to continue using that address afterwards for other mailings).

For more information about the ballot measure, please call Catherine Smith, Executive Director, or Neil McCormick, Assistant Director, at 877.924.CSDA (2732).

# Senate Bill SBX5 1 (Brulte) Would Reimburse Cities and Counties for Lost VLF Revenues

On Friday, November 21, Senator Jim Brulte (R-Rancho Cucamonga) introduced legislation in the Special Legislative Session that would reimburse cities and counties for lost revenues resulting from the recent reduction in Vehicle License Fees. While details are still being discussed, partners in the LOCAL coalition have expressed initial support for this legislation. We need to generate as much support as possible for this important legislation.

Essential Local Services are at Risk NOW. Last week, cities and counties began losing more than two-thirds of

Page 5 of 11

revenues provided by Vehicle License Fees. Combined, cities and counties are now losing more than \$300 million per month! Public safety, public health and essential local services are in jeopardy in communities throughout California. Even though special districts do not receive VLF revenues, we must oppose any reduced funding for essential local services. This is especially true in light of recent actions by cities and counties opposing legislation that would have actually provided them with additional revenue at the expense of special districts (SB 407).

The Time to Act is NOW. Call and urge your Legislators to pass SBX5 1 right away.

### Please follow these easy action steps TODAY and call your Senator and Assembly Member.

- Using the attached talking points as a guide, please call your State Senator and Assembly Member TODAY and urge them to act immediately to support SBX5 1. Please call your Senator and Assembly member in their local district office or their Sacramento office. Numbers for both can be found by following the link below.
- You can locate the number for your Senator and Assembly member by typing in your address at http://congress.org/congressorg/officials/state/?lvl=C&state=ca. Fax numbers for your Senator and Assembly members can also be found through this search function if you prefer to send a letter.
- If you prefer to write your legislator, please personalize the attached letter and fax a copy to your Senator, Assembly Member and Governor Schwarzenegger's Legislative Department. Fax number -916-324-6358
- REMEMBER TO LOCALIZE YOUR MESSAGE AND HIGHLIGHT THE IMPORTANCE OF VLF FOR YOUR CITY/COUNTY AND YOUR LOCAL SERVICES.
- Please send an email to bcastillo@bickerassociates.com letting us know you've called your legislators. If you send a letter, please email us a copy for our files or fax to 916-442-3510.

Remember, the time for legislators to act is now. Essential services are already at risk. Please take the time today to call your Senator and Assembly Member and ask them to support SBX5 1.

Thank you for your continued support. We will continue to keep you informed throughout the budget negotiations. Please call 916.443.0872 with any questions or visit www.calocal.org for the latest information and resources.

If others affiliated with your district would like to start receiving this notice via email, or if you would like to stop getting these email updates please contact Geoffrey Neill at 877.924.CSDA or gneill@csda.net.

      SUBCOMMITTEES DEBATE GOVERNOR'S MID-YEAR CUTS
>As part of the current-year reductions proposed in special session, the
>Administration has identified $2.26 billion in current-year savings, and
