The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry should be supported by a valid receipt or invoice. This ensures transparency and allows for easy verification of the data.

In the second section, the author outlines the various methods used to collect and analyze the data. This includes both primary and secondary data collection techniques. The primary data was gathered through direct observation and interviews, while secondary data was obtained from existing reports and databases.

The third section details the statistical analysis performed on the collected data. Various tests were conducted to determine the significance of the findings. The results indicate a strong correlation between the variables studied, suggesting that the observed trends are not merely coincidental.

Finally, the document concludes with a series of recommendations based on the research findings. These suggestions are aimed at improving the efficiency of the processes being studied and addressing the identified challenges. The author believes that implementing these measures will lead to more effective outcomes.

CSDA Weekly Legislative Update for July 11, 2003

STATE BUDGET UPDATE

As both houses of the Legislature adjourned Thursday for the weekend, rumors continue to grow that a state budget compromise is "close." After the "Big Five" (the Governor and the heads of each party in each house) meeting on Wednesday, Governor Davis told reporters that he expects a budget without taxes to pass one of the Legislature's two houses in the next two weeks. All believe that house is the Senate. In fact, on Tuesday the Senate will consider the Senate Republican budget plan which contains some 131 changes to the spending plan backed by Senate Democrats. The Senate Republican plan includes a host of cuts, including the abolishment of the California Coastal Commission and further reductions in health and social services programs. All told, the cuts would trim \$2.7 billion in state spending. At the heart of the compromise under discussion in the Senate is a plan that would transfer a half cent of the current sales tax from cities and counties to a state fund dedicated to paying off a \$10.7 billion loan over five years, which is the shortfall from the last fiscal year. In turn, the state would shift a like amount of property tax revenues back to cities and counties, requiring the state to backfill schools for the loss of property tax revenues. The plan translates into a \$2.3 billion cut in the state's General Fund during each of the next five years. A second option to the property tax/sales tax swap is also under consideration. Under the alternative plan, instead of the half cent swap, a quarter cent would be shifted and the loan would be repaid over a 10-year period, lowering the annual impact on the state's General Fund.

A budget compromise without new taxes represents a major shift for Democrats. For example, Senator Tom Torlakson, chair of the Senate Local Government Committee stated: "I'm at the point if we cannot get the votes for those taxes (sales tax), then I'm prepared to vote for a budget and let the public understand clearly the distinctions between where the parties stand on the issues. The reality is we're heading toward insolvency. We are heading toward fiscal harm of a very significant nature." Other Senators, including Senator John Vasconcellos have vowed to reject any spending plan that does not include new taxes. Furthermore, a no-tax budget compromise faces stiff opposition from Democrats in the Assembly. Assembly Member Joe Canciamilla, a strong supporter for structural budget-process reforms thinks opposition from Assembly Democrats would ease if Senate Democrats reach an accord with Senate Republicans. Canciamilla stated: "Who knows, they (the Senate) could lob something over to the Assembly Tuesday and it could get the votes. A lot of people just want to go home."

If a no-tax compromise is reached in the Senate and approved in the Assembly, most political observers now believe the required 27 votes in the Senate and 54 votes in the Assembly will be attained with a mix of Republicans and Democrats. Conventional wisdom heretofore has been that all Democrats would vote for a budget and they would need to secure 2 Republican votes in the Senate and 6 Republican votes in the Assembly. No longer the conventional wisdom.

A final note on the Senate Republican plan. There are significant program reductions that translate into hits on counties, and a lessor degree on cities, but no specific "hits" on special districts. The plan reinstates booking fees and rejects fire protection fees on properties located in State Responsibility Areas (SRA). All of this could change as the specifics of a final budget

compromise is hammered out.

On the Assembly side, in a July 3rd memorandum to Assembly Speaker Wesson, the Legislative Analyst provided a long list of additional savings the state could realize if adopted. Contained thereon is the LAO's recommendation to repeal the multicounty special district ERAF exemption. Additionally, Senate Bill 407 by Senator Torlakson, that proposes to require specified enterprise special districts currently exempt from ERAF to shift a portion of their property tax revenues to ERAF, could become a budget trailer bill. It could remain as is, or expand to include all special districts exempt from ERAF.

Finally, both houses have agreed to convene a conference committee to "reform" the workers' compensation system and some have suggested that such reforms should become part of a budget compromise. There will be some workers' compensation system reform this year, but given the difficulty of attaining sufficient votes to pass any budget, it is doubtful it will be tied to passage of the state budget. Next week promises to be most interesting.

RE: BUDGET UPDATE

Rumors continue to abound regarding when Republicans and Democrats in both

Houses will come to a budget agreement. Lobbyists continue to ask Capitol reporters what they know, while Capitol reporters ask lobbyists what they

have heard. The latest rumor was that, "Burton and Brulte (Senate President pro Tem John Burton and Senate Republican Leader Jim Brulte) were close to a deal and that the plan would be brought up shortly."

Even

some Assembly members "thought the Senate was getting close, perhaps even

as early as Monday.”

However, at an informal coffee and donuts gathering this morning in one of the Senator’s offices, both the Senior Consultant for the Republicans and Senior Consultant for the Democrats indicated that things were not all that close. One stated, “If the Budget is not done in the next two weeks, it will more than likely be two months.”

As the Senate was adjourning this morning, Senate President pro Tem Burton stated, “We finally have received completed copies of the Republican Budget Plan, and we will plan on taking it up Tuesday morning.” He further added, with some humor, “The Democrats haven’t seen all 87 Republican amendments,” and “We’re waiting to hear from Mrs. Johnson regarding defunding of the Library Foundation.” Senator Burton’s quote is in reference to the memo we sent you last week wherein the Republican plan calls for eliminating the PLF, except for the \$1 million included in the Governor’s May Revision of the Budget. Former Republican Leader, Senator Ross Johnson’s wife is a librarian and is often referenced on the Floor with regard to library issues. Both the Senate and Assembly have adjourned until Monday.

The one major issue which continues to be discussed is swapping either ¼ or ½ cent of the local sales tax for an equivalent amount of property tax.

Wall Street lenders are implying that they will require a dedicated revenue source to pay off the estimated \$10 billion worth of bonds to be borrowed by the State to deal with the current year deficit, and to be paid off over the next five years. With Republicans refusing to agree to any tax increase, the swap is about the only way of finding a source of revenue that could be dedicated to guarantee bond repayment.

Stay tuned.....

RE: NEWS FROM THE CAPITOL

I. BUDGETS GALORE, BUT NO AGREEMENT IN SIGHT

In a typical year, there is one state budget document that is produced and circulated for consideration. And typically, legislators work to hammer out differences in the Budget bill in hopes of beating the July 1 constitutional deadline. However, as is common practice, the deadline on the Budget is usually exceeded by weeks, or sometimes months, as in the case of last year when the Budget was not passed until early September. This year, the six-member Budget Conference Committee met and only modestly tinkered with the traditional Governor's Budget for a few days,

and then sort of disintegrated when it appeared no agreements could be reached. They deferred most of their "big ticket" issues to the so-called "Big 5" legislative leaders for resolution.

Last week, the Assembly Democrats put forth a budget plan, as did the Senate Democrats. While there are variations in the documents, both make significant program reductions and incorporate some tax increases, most notably, a one-half cent sales tax to pay off this year's \$10 billion budget deficit over the next five years. On Monday, the Assembly Republicans, responding to criticism by Democrats that they had no budget solution of their own, released a proposal that features substantial cuts in state operations (15% in additional cuts beyond large January and May reductions), cuts to the University of California and CSU systems, and cuts to social services. While this plan also rolls the deficit over the next five years, it does so with funds made available through the budget cuts. Also, unlike the Democrats' proposal, it rejects the vehicle license fee (VLF), or additional so-called "car tax," that has been automatically implemented, or "triggered," but is being challenged by the Howard Jarvis Taxpayers Association. Meanwhile, a Senate Republican plan that was supposed to be debated Monday evening on Senate Floor is still being developed. Budget "drills" were expected to begin in the both the Assembly and the Senate today, however the Assembly has postponed its action until 4:00 p.m. on Sunday. At this point, the debates are likely to be no more than "drills" with an enactment of a budget still likely to be weeks away. The one pressure that could expedite passage of the Budget is California's rapidly deteriorating credit rating and the possible inability to sell short-term notes without a Budget in place. As one budget staffer commented sarcastically, "Our credit rating is now below that of Fiji's."

II. REPUBLICAN BUDGET PROPOSALS IMPACT PLF

You will recall, the Governor's May Revision of the Budget reduced the Public Library Foundation (PLF) down to \$1 million. Both the Assembly and Budget Subcommittees on Education increased that amount to \$15.8 million, or one-half the amount provided to libraries last year. The newly proposed Assembly and Senate Republican Budget plans work off of the Governor's "May Revise" Budget. The Assembly Republican plan adds \$10 million to the Governor's Budget for a total amount of funding for the

PLF

to \$11 million. Unfortunately, the Senate Republican plan goes along with the Governor's reduction, thus leaving only \$1 million, or essentially zero, for the PLF. As you can see, the entire State Budget picture is still very confusing and has yet to jell. Please take a moment on Monday to phone your Senator and urge them to 1.) reject the Republican proposal to zero-out the PLF, and 2.) to support the Senate Democrats' version of the Budget, which currently contains \$15.8 million for the PLF.

PLACENTIA LIBRARY DISTRICT BOARD OF TRUSTEES

TO: Library Board of Trustees
FROM: Elizabeth D. Minter, Library Director *EDM*
SUBJECT: Two Percent Assessment Appeal Case
DATE: July 21, 2003

BACKGROUND:

No new information has been received since the last report on June 30, 2003.

Neither the Orange County Board of Supervisors nor the Independent Special Districts of Orange County have recommended any specific action to local jurisdictions.

The initial impact (one-time cost) of the property tax refund for Placentia Library District in Fiscal Year 2002-2003 would be approximately \$186,000. For each year the refund is delayed the amount would increase by approximately \$77,000, plus interest. This is a significant increase over the previous estimate.

The ongoing impact (permanent loss) on future revenue would be a loss of approximately \$77,000 per year.

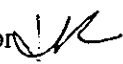

RECOMMENDATION:

Agenda Item 24

TO: Library Board of Trustees

FROM: Jim Roberts, Public Services Manager/Literacy Coordinator 

DATE: July 14, 2003

SUBJECT: Status of Placentia Library Literacy Services (PLLS) Partnerships with the Community.

Provided below is a list of active PLLS partnerships/coalitions in the community. Those with an asterisk (*) are pending and have not yet begun.

- Placentia Rotary Reading Enrichment Program (PRREP) is a coalition of the Placentia/Yorba Linda Unified School District, Placentia Rotary and the PLLS. In FY 2002-03 we had more than 80 high school volunteer tutors participate in PRREP.
- Reach Out and Read is a national pediatric literacy program and a partnership with St. Jude Medical Center. At Whitten Center, two PLLS volunteers read to children of low income parents while the children are waiting to see the pediatric nurse.
- Spanish Literacy is a coalition with Placentia Human Services, Placentia Head Start, and the Library and offers Spanish literacy classes to an under-served population.
- Federal Work Study (FWS) is a partnership between Western State University College of Law and the Library where qualified FWS students work part-time at the Library, primarily tutoring children. PLLS presently has eight FWS staff.
- Cal State Fullerton and PLLS have two partnerships:
 1. The Department of Human Services Intern Program, and 2. Service Learning.
- PLLS and Fullerton College have a Service Learning partnership. Several instructors require 10-40 hours of community service and PLLS is a participating agency.
- Starbucks and PLLS formed a partnership in FY 2002-03 by writing and receiving a grant for \$10,000 to provide materials and services to children. We plan to continue that partnership in FY 2003-04.
- *Two months ago, PLLS contacted Troy Tech, a specialized program at Troy High School, to be listed as a community partner in their intern program. Juniors at Troy Tech have a 150 hour intern requirement. Although we have not had any interns from Troy Tech to date, PLLS is now listed as an eligible agency.
- *PLLS is also listed as a participating agency for interns with Valencia High School's Val Tech, but since Val Tech started this school year, there won't be any potential interns until school year 2004-05.
- *Potential *EVEN START* collaboration with Ruby Drive Elementary School during FY 2003-04.

Re: Special Districts Risk Management Authority

On July 1, 2003, the newly formed consolidation/merger of the Special Districts Workers Compensation Authority and the Special Districts Risk Management Authority became a reality. This process took approximately two years to accomplish. It is anticipated that the new board consisting of nine members (no appointees from CSDA, per bylaws) will meet monthly for 1 - 2 days depending on the material to be processed. The next meeting is scheduled for August 6th in Sacramento.

The new authority retains the name Special Districts Risk Management Authority. There are two standing committees--Liability and Workers Comp. David Aranda, the newly elected president of the board, appointed me as chair of the Workers Comp committee. Although I was also nominated for secretary of the board, I declined the nomination and requested that the position be filled by a member in the Sacramento area. This permits signatures on pertinent paperwork to be handled efficiently.

Due to the collapse of the Workers Compensation Insurance industry in California, with hardly any carriers writing this insurance and with premiums skyrocketing, Special Districts Risk Management Authority has been inundated with requests for coverage. On July 1, approximately 70 member districts were approved to join the Workers Comp pool. Over 40 more applications have been received since July 1st and will be voted upon at the August meeting.

Additionally the Liability pool, with which Placentia Library District has coverage, has been receiving requests for coverage, but not quite to the extent as Workers Comp.

Regarding the separation of assets of each pool, the process has begun to set up Fund accounts. It is anticipated that up to six months may be required to evaluate, formulate and finalize this procedure.

Next meeting is August 6, 2003, in Sacramento.

Dear Elizabeth:

The Placentia Library District adopted a resolution formally requesting consideration to become a member of the Orange County Council of Governments (OCCOG). This resolution and action was adopted pursuant to the OCCOG Bylaws Article III. – Membership, which allows public agencies located in the geographical boundaries of Orange County to petition the OCCOG Board for membership in OCCOG. This Bylaws section also provides that the OCCOG Board shall review petitions for qualification as members and shall vote to approve or disapprove the petition. At the April 24, 2003 OCCOG Board of Directors meeting, the Board approved OCCOG membership for the Placentia Library District. The OCCOG Bylaws and Joint Powers Agreement have been included in this packet. Please sign the addendum to the Joint Powers Agreement, and return the materials to OCCOG.

Each Board member can designate an alternate, provided that said alternate serves a similar capacity in the entity as the Board member (i.e., elected officials for voting members). Alternate directors shall receive all meeting notices and written material sent to directors and shall have the right to participate and vote at meetings of the Board on the absence of the director for whom the alternate director serves.

4.12 Quorum

A majority of appointed voting directors shall constitute a quorum for acting on the business of the Board. If such number of Board members is an even number, a majority shall be one more than half the number of appointed directors to the Board.

4.13 Meetings

Regular Meetings: Regular meetings of the Board shall be held every month according to a schedule approved by the Board at its first meeting each calendar year.

Special Meetings: Special meetings may be called by the Chairman or a quorum of Board members.

Brown Act: All meetings shall be called and conducted in accordance with the Ralph M. Brown Act.

4.14 Bylaws

Bylaws providing additional details pertaining to the conduct of OCCOG and its support structure will be established and approved by the OCCOG Board.

SECTION 5
STAFFING, FUNDING AND ADDITIONAL RESPONSIBILITIES

5.1 Staffing

The League of California Cities, Orange County Division, shall serve in a lead capacity in coordinating staff resources among member entities to accomplish OCCOG work efforts and assignments. Member agencies recognize that OCCOG tasks will often benefit from "in-house" expertise, thus will work to coordinate with individual member entities for the provision of staff to assist in the completion of assigned tasks and to minimize operational costs. Private sector contract assistance can be managed by either OCCOG or the member agencies.

Support to OCCOG will be provided primarily through the following structures:

- a. Executive Management Committee (EMC): The EMC will be comprised of executive directors of the member agencies as well as five City Managers as appointed by the President of the Orange County City Managers Association. The EMC will enable executive and management-level review and discussion of issues under OCCOG's purview, and provides a liaison between elected officials and technical staff on such matters. The EMC will meet on a monthly basis in support of OCCOG's activities and will provide policy-level recommendations to OCCOG members.
- b. Technical Advisory Committee (TAC): The TAC will be comprised of staffs from the member agencies and will provide technical review of regional activities per the direction of OCCOG and /or the EMC.
- c. Private Sector Task Force (PSTF): The PSTF will provide private sector input to OCCOG on air quality issues and on other issues under OCCOG's purview where the OCCOG deems it appropriate for such input.
- d. Other Committees, as determined necessary and convened by OCCOG, will provide assistance in meeting OCCOG objectives.

5.2 Funding

Funding for the Council's operation will be provided by monies provided to Orange County from the Southern California Association of Governments, member and/or non-member agency financial contributions, grants, and other sources authorized and approved by the OCCOG Board of Directors.

5.3 Assignment of Additional Responsibilities

In addition to the initial OCCOG tasks identified in Exhibit I, additional responsibilities will be undertaken by OCCOG in accordance with the following procedures.

a. Requests to Examine Issues and Provide Input/Recommendations:

Requests from non-member and member agencies may be made to OCCOG to examine activities and provide recommendations. The OCCOG shall assign the Executive Management Committee the task of examining staffing/funding issues and providing recommendations to OCCOG on how and whether it might choose to pursue the request. In addition to considering potential staffing/funding constraints, the EMC will also base its recommendations, and the OCCOG shall consider, on whether the request/issue has strong countywide support among OCCOG members and can reduce or eliminate duplication, improve efficiencies and otherwise achieve countywide consensus and OCCOG objectives.

b. Assignment of Responsibilities to OCCOG: Should requests from member and/or non-member agencies be made for the OCCOG to assume responsibility for delivery of services, development of plans, programs or similar activities, the OCCOG would assume said responsibilities upon a 2/3 vote of its Board of Directors, with concurrence of the affected agency (ies).
