Library Director Message: Path Forward

I think we can optimistically say normalcy has returned as we move beyond the last two years. Your Placentia Library District played an essential role connecting our communities through innovative, inspiring, and impactful programs and services. During the pandemic, the District was one of the only libraries in the state to remain open. We experienced a 122% jump in new patron registration, 56% increase in items borrowed, over 70% increase in children’s materials loaned, and 143% more visitors. During the uncertainties of the global pandemic, our patrons depended on us to provide a means to help them move forward in a mindful and meaningful way. We are extremely proud of our team for their work in strengthening our community, gathering people together and creating spaces where everyone feels welcome. Our path forges ahead with more exciting news! Our team secured funding for two new services - Bookmobile and an outdoor space.

Through the “Stronger Together: Out of School Time” grant provided by the California State Library, we received $250,000 in funding for the purchase of an electric bookmobile. The Bookmobile REAd (Reading Engine Adventures) will offer information, educational materials and programs to families at the La Jolla and Gomez Center, Ruby Drive and Melrose elementary schools, Kraemer Middle School, Valencia High School, as well as various community events. The purpose of the “Stronger Together: Out of School Time” grant is to help libraries improve and expand services to out-of-school time youth. We will be focusing on social-emotional development, youth voice and leadership, teen workplace preparedness, and academic/technological advancement for children and teens. We are at the very initial phase of working the grant requirements, thus anticipate the Bookmobile debuting in our community in spring 2023. Please visit our website for updated information.

Additionally, we are turning inside-out! Our path forward is moving outwards as we make plans to transform our exterior to a relaxing outdoor reading space. We received a $400,000 state grant, sponsored by Assemblyman Phillip Chen’s office, enabling us to provide a safe, attractive exterior space for staff and visitors. We are beyond thrilled to develop the Outdoor Learning & Experiences (OLE) space, which will serve multiple functions, such as, storytime, outdoor art, health & wellness classes, and lunch at the library. The shaded space will provide wi-fi signal, outdoor seating areas for work, meetings, and of course a place to enjoy your favorite books. We have fueled inspiration inside our building through a wide variety of programs and services, and now your visit to our library will be enhanced while you enjoy our OLE space. If you have ideas for OLE, we would love to hear from you! Please feel free to email us at administration@placentialibrary.org.

Bookmobile REAd and OLE will offer us a chance to move beyond 2020 and onwards to more meaningful and positive library experiences. New paths - sensational year!

Respectfully,

Jeanette Contreras
Library Director

All 22 books are now available for checkout in the library’s Literacy Collection; just search “Adult New Readers” in the library catalog. Happy reading!

TIMES AND DATES
Hello Friends of the Library!

The Placentia Library Friends Foundation held our largest fundraiser of the year, our annual Author’s Luncheon and Silent Auction on March 5th. Thanks to all our guests, it was a successful venture, raised money for the library, and was a wonderful afternoon for all! Unfortunately, our scheduled author, Marla Jo Fisher was unavailable to speak at the last moment. The day was saved by Placentia Library District Trustee and author Gayle Carline, who conveyed her journey from software engineer to author in a humorous and commanding fashion. We on the PLFF Board were delighted and felt an immense sense of relief at Gayle’s wonderful rescue! PLFF did offer an evening event in April with Marla Jo Fisher for those who wanted the opportunity to hear her speak. Delicious hors d’oeuvres were served, and this event went off without a hitch!

Continuing our fundraising efforts, the PLFF sponsored a day at Craftsman’s Pizza in April and one at The Original Pancake House in June where the library received a percentage of the day’s profits. In addition, PLFF also sponsored an Asian American Pacific Islander Heritage event in the library’s courtyard in May which was also a success. Please check the library for our future fundraisers so we can all support the Placentia Library.

Please note that our Second Sunday Sale held on the loading dock has been discontinued in favor of the bigger and better Quarterly 2-Day Book Sale held in the Community Room. The next 2-Day Book Sale will be held on September 10th and 11th. We look forward to seeing you there!

Please consider becoming a Friend of the Placentia Library. It is the perfect way to support the many excellent programs, child, teen, and adult, that out library provides for the community in which we live! Every effort and donation makes a difference! Please visit our website at www.placentialibraryfriends.com and click the tab “Become a Member.” Please also consider becoming a member of the Placentia Library Friends Foundation Board and use your creativity to design future fundraisers and events to support our library.

We would like to offer our heartfelt thanks to all who have supported us in raising funds to support the library’s fine programming. We cannot do this without your support, volunteerism, and donations, and we are eternally grateful to every one of you!

Placentia Library and PYLUSD Inspire Success Among Students and the Community

It is the mission of the Placentia-Yorba Linda Unified School District (PYLUSD) to inspire all students through rigorous and relevant educational experiences that empower them to become responsible, ethical, and contributing citizens. Similarly, and as stated in its mission, the Placentia Library District inspires, opens minds, innovates, and connects our community.

Across 34 school sites, PYLUSD serves nearly 24,000 students in the cities of Placentia and Yorba Linda as well as portions of Anaheim, Brea, and Fullerton. We recognize that the success of our students is possible thanks to the dedicated work of our teachers and staff as well as local community partners that share similar missions, such as the Placentia Library.

Throughout the 2022-2023 school year, our students can expect to receive high-quality instruction inside of the classroom and opportunities to participate in enrichment activities outside of the classroom. Students will be actively engaged in the learning process by teachers who will employ effective instructional strategies to share content area standards and curriculum in innovative ways.

We anticipate that our students will take advantage of the Placentia Library’s state-of-the-art facilities and comprehensive collection of resources to support their learning. This includes books and eBooks, research materials, technology, digital magazines and music, and more. Storytime, craft tutorials, and STEAM programs will also provide students of all ages with enjoyable extracurricular opportunities.

In closing, I want to share what an honor it is to be the new Superintendent of Schools for PYLUSD, proudly serving the city of Placentia and beyond. We are grateful for the Placentia Library’s shared focus of inspiring learning in the community, and we look forward to continuing our great partnership this school year.
